

DELVIN JASON

MANDARIN TUTOR

EDUCATIONAL	CAREER HISTORY
<div><div>Maitreyawira High School2019 to 2022Tanjung pinang</div><div><p>During senior high school (Science/IPA track), I developed a strong interest in Mandarin lessons. This early exposure shaped my motivation to keep improving my Mandarin skills and confidence in using the language.</p><div>University International Batam2022 to CurrentBatam</div><p>Currently pursuing a degree in Information Systems with a focus on software development. I actively sharpen my coding skills, especially in Go (Golang). In addition, I am enrolled in an advanced Mandarin class at the university, which helps strengthen my formal language foundation. I apply structured problem-solving habits that also support clear, systematic teaching.</p></div></div>	<div><div>PT. Megah Persada Abadi2023 to 2025</div><div>Admin</div><div><p>Handled day-to-day administrative tasks and supported internal documentation and data management. In addition, I occasionally assisted as IT support for basic troubleshooting and operational needs. Employment ended in late October.</p><div>VIBE Academy2025 - Current</div><div>Mandarin Tutor</div><div><p>Started as a part-time Mandarin tutor in mid-2025 while continuing university. Conducted structured tutoring sessions and provided guided practice to help learners build Mandarin fundamentals and speaking confidence.</p></div></div></div>
